## Newsletter November 2021

Welcome to our second iSearch Newsletter. We are well under way now with half term behind us.

We have made 1 or 2 small adjustments, but the children are settling into their new groups and patterns of a Sunday morning.

Coming out to iSearch on a Sunday morning. If you sit in the balcony area during the service and need to register when the children come out, please could I ask you to come down into and through the church to the information room, so that we can have the children move in a one-way system.

If you have not returned a registration form for 2021 or updated your child's details on church suite, please can I encourage you to do that.

Collection at the end of the morning. From the 7<sup>th</sup> November we will change to collecting the children from their groups. Explorers remains as usual, Adventurers, Navigators and Trailblazers should all come to the Memorial Hall at the end of the service, leaders will direct you from there.

As well as a Sunday morning we are pleased to see our Babies and Toddlers have come bouncing back together for drinks, chat, free play plus a Bible story and some singing.
