Children & Young People on a Sunday Morning

See inside for details

Our Children & Young Peoples vision at UBC is, with God's help, to build an interactive, fun and caring environment so that we can

- Introduce children, young people and families to Jesus
- Equip each other to get to know Jesus through studying the Bible together in creative ways
- Grow in faith and deepen our understanding of how Jesus is relevant to our everyday lives

All of the leaders involved with children and young peoples groups have completed a DBS check.

Registration.

Is an important part of our time together. Complete the registration form: -

- Helps us get to know the children better.
- It ensures that we are aware of allergies and other relevant information
- It helps us to keep everyone safe.

A registration form is enclosed. If you need more than one, extra copies can be obtained from the Registration Desk in the Information Room to the right of the Sanctuary. If you are visiting you can make a note of that on the top of the form.

Please register your children before the service if possible.

Registration is not a one-off process, please keep us up to date with any additional needs. You can speak to your child's Group Leader in confidence.

LIVE STREAMING

Please be aware our morning services are Livestreamed. This means that services appear on the internet. Before your child comes to the front, they should have your permission.

What to expect:

We begin the morning together as a family in the church. During this time there is singing, a short talk/activity, a voluntary offering and prayer.

We would encourage the children to be involved in all of these acts of worship. The time to leave is announced by the person leading the service.

The timing is not exact, but is usually around 20 minutes after the start of the service.

The end of the morning:

At the end of the morning children are collected by their parents from their respective groups. For Explorers, Adventurers, Navigators and Trailblazers we request that they are collected by somebody over 18.

**We aim to finish teaching by 11:45,
and ask that all children are collected by 12:00**

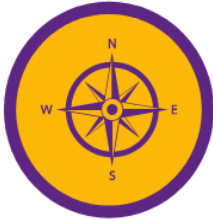

Emergency Evacuation:

Should there be a need to evacuate the buildings in an emergency, your child will be evacuated with their Sunday morning group. Directions as to the collection point will be given by the lead Fire Marshall.

For Babies and children up to the age of 3 years.

Starting in church with the wider church family
Salt and Light are Sunday morning groups for school years 7 to 13, that take place during the later part of the church service, they focus on what is being taught in the church services, just simply adapted for young people.

Salt and Light is designed to offer fun and creative ways of learning more about the Christian faith and going deeper with Jesus. We play games, spend time reading the Bible, praying and worshipping God together!
